On our territory walnut trees, cherry trees, plum trees, olive trees and fig trees are to be found. There is a brook in the valley. Deer, boars and as a matter of fact many species of birds can regularly be observed there. If you follow a path you will come at a big lake of 250 ha after about 500 metres, where you can go in for various sports such as swimming, surfing, fishing and a form of parasailing called 'parapenting'. There are canoes, waterbikes and sailing boats for hire. You can go for a walk or for a bicycle ride to see the surroundings. A golfcours, tennis courts and a possibility for riding horseback are to be found within a radius of 10 km.
