'Les Hirondelles' ("the swallows") is a charming and enjoyable house that will capture your hearts and assure you of unforgettable holidays. The terrain is big and diverse : a small wood, a terrace on the grass and a second terrace for breakfast in the morning sun and don't forget the pool (10m by 5m). The orientation is south so you'll enjoy the sun all afternoon in the pool and on the terrace until sunset. The interior is sympathetic and typical. The region is calm and quiet but nevertheless not far from villages and shops (7km from Le Bugue). A lot of activities in the neighbourhood. Contact us for more information. On the contactform it is mentioned 'if possible, contact the owner in Dutch'. Never mind this remark, you may send your questions or remarks in English without any problem!!!

Activities

Plenty of activities for young and old in the region. This is the 'prehistorical' centre of the world with plenty of archeological sites to visit. You will also find a lot of medieval castles in the region. All this adds up to the atmosphere of nature and history to be experienced! Sport and leisure: cycling, walking, acrobanc (adventure circuit in the trees), horse-riding, watersports (5km), golf, parapente, ULM, ballooning, etc... Don't forget to visit one (or more) of the local markets during the summer period. Good food and nice souvenirs to take home. Each village has its own marketday, so check the calendar!
