Our accommodation has been created to offer you the perfect place to 'get away from it all!' The property as a whole is a large, old, renovated olive mill, complete with the original pressing stones. Although situated in a rural setting we are only 45 minutes from the fabulous city of Cordoba, and only 30 minutes from a water park(open mid June to the end of August). Even Seville and Granada are only a 2 hour drive. We provide a 3 bedroom apartment which will sleep up to 6 people, which is ideal for families, there is a large terrace overlooking one of our alpaca paddocks and there is also a BBQ. There is a large 8 x 4 metre swimming pool with decked surround, parts of which are shaded in the mornings by a large eucalyptus tree and in the afternoon by the Casita .

## Activities

Cordoba is very close by and is a wonderful city to visit. At the property we have a swimming pool, and the opportunity for children (and adults) to get involved with feeding our alpacas and walking the dogs. A real chance to experience a different way of life.
