Activities

Just outside the park there is a small supermarket. Vera (6 km) is the main commercial centre of the area with larger shops and supermarkets. On Saturday the town centre is transformed into a sprawling market which becomes the focal point for the surrounding villages. Garrucha (4 km) is a bustling little port with a thriving fishing fleet. It too is an ideal centre for shopping. Friday is market day in Garrucha. Further south you find Mojacar (9km) with a newer part on the coast and a dazzling white village on a hill top facing the Mediterranean. It is truly a town of contrasts with a maze of Moorish arches, narrow winding cobbled streets and stairways climbing up and down the steep mountainside. The unique "Desert Springs" golf course can be found 10 km north of Vera Natura.
