Beaches stretch along, 100 km of beautiful and indented coast. Try the unique experience. See this beautiful landscape with green forests and islands, bays, inlets and crystal blue sea; Banjole is an old fisherman village situated 7 km from town of Pula. Its existence we link to a Roman Empire when it was called by this name from Roman (Italian) word "bagni" which means baths. Even old Romans appreciated unique settlement of this resident situated on small peninsula. With its astonishing countryside it's still now very popular tourist destiny. We advise you to spend some of your time and feel this wonderful place and nature. Today Banjole is counting cca 1000 souls and all of them are real "lovers" of their village and countryside. The climate is Mediterranean with 4 evenly scheduled seasons.
